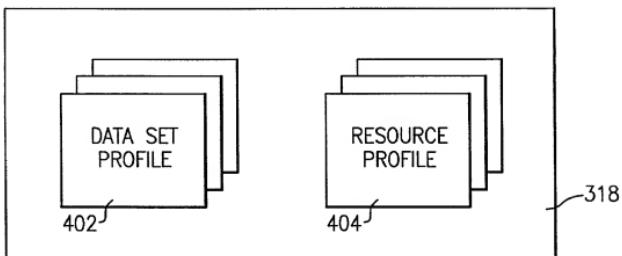

FIG.4

A detailed view of a single profile document, likely a 'DATA SET PROFILE'. The document contains several fields:

NAME	502
OWNER	504
ACCESS_LIST	506
UACC	507
AUDITING_INFO	508

Arrows point from the labels 402, 404 to the first two entries of the table, indicating they refer to the entire profile document.

FIG.5

A diagram showing five identical instances of a profile document structure, each consisting of two columns: 'NAME' and 'ACCESS AUTH.'. Each instance is labeled with a reference number 602 at its top left. A bracket on the far left is labeled 604, spanning all five instances. A bracket on the far right is labeled 606, spanning the second through fifth instances.

NAME	ACCESS AUTH.
